### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In claim 1, line 8 and claim 28, line 10 after the word "stay" the word --member-- has been inserted.

In claims 13, 14, 40 and 41, at line 3 the word "of" has been changed to --from--.

3. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose a bicycle/bicycle frame including a main frame, an articulating frame for supporting a rear wheel having a chain stay member pivotally supported relative to the main frame and a shock support member fixed for angular displacement with the chain stay member, a shock absorber having a first end pivotally supported at a first axis by the shock support member and a second end pivotally supported at a second axis by the main frame wherein the first axis is positioned above the second axis such that a longitudinal axis of the shock absorber slopes downwardly from the first end to the second end.

The prior art also fails to disclose a bicycle frame including a main frame, a chain stay member pivotally supported relative to the main frame at a first pivot axis, a link member pivotally supported relative to the main frame at a second pivot axis, a seat
